2018 SPONSORSHIP PROGRAM

Dyer Parks and Recreation has been working closely with businesses in and around the Dyer community for over 20 years. Your continued support has helped the Dyer community grow exponentially. Dyer Parks and Recreation has thrived because of, in part, the generosity of local business owners such as yourself.

New this year, Dyer Parks and Recreation is excited to offer local businesses a more affordable and efficient way of sponsoring community events through this 2018 Sponsorship Program. This program is dedicated to improving community events for all ages as well as creating new activities and programs throughout the year.

OVERVIEW

This sponsorship program was designed with businesses like yours in mind. This is an excellent way to grow your business, create a strong working relationship with Dyer Parks and Recreation, and give back to the community at the same time. The goal of Dyer Parks and Recreation is to be able to enhance the overall quality of life for the Town of Dyer and surrounding communities through recreation. By teaming up, we will be able to further expand and develop recreational opportunities to provide quality experiences for the Town of Dyer and surrounding communities.

Depending on your level of interest, your business could potentially be advertised for up to one full year in our Leisuregram. All our programs and events are listed in our Leisuregram, which is how 57% of those living within the 46311-zip code keep up to date with Dyer's community events. Our Leisuregram is mailed out three times a year seasonally (Winter/Spring, Summer, and Fall) to over 6,200+ households. There are several exciting and affordable sponsorship levels to choose from that will meet even the most unique business needs. We even offer an option to build your own sponsorship with The Perfect Fit Package. Each package will offer additional advertising for your company that will allow you to gain additional visibility in Dyer and its surrounding communities while also demonstrating your support of the continued growth and development of the Dyer Parks and Recreation Department.

We have created sponsorship packages to make supporting your hometown parks easier than ever before. You can choose between one of our pre made packages or build your own depending on your specific business needs!
